1. Administration:

i. As an initiation to ensure proper service to the citizen, a project named "Rajasthan Sampark" has been implemented through Department of IT and Communications. The project paves the way for a common man to reach the departments of the State Government for their queries and concerns, with the help of Information Communication and Technology (ICT) Interventions. Rajasthan Sampark aims towards providing citizens with a centralized platform where any citizen of the state can lodge his/ her grievances to the respective departments. It primarily consists of a State level Call Center with integrated web portal which will act as a single point of contact for addressing and redressing various citizen centric queries and grievances related to government services. Citizens can lodge their grievances against any government department/ office through this portal and the grievance will further be sent to the respective office/ department for redressal.

ii. Board of Management (Minutes) : <u>https://mgsubikaner.ac.in/minutes-on-bom-meetings/</u>

2. Finance and Accounts:

With the aim to produce immediate information in finance and Accounts i.e."Single Click Accounting" this section of University is partially e-governed. The university uses the Busy Accounting software for the transparent functioning of Accounts department & Pay manager software for Salary. The Account software (Busy) is used to generate various reports like Consolidated Day Book, General Day Book, Daily Cash Collection report.
