Annual Gender Sensitization Action Plan (2021-22)

1. **Conduction of outreach programs** by organization of sensitization and awareness programs for women (faculties, female students and campus residents). The topics proposed to be covered include burning social issues (such as dowry, female feticide, domestic violence and sexual assaults), women rights and legal protection, importance of value based education, lifestyle disorders in working women and sexual harassment at workplace.
2. **Conduction of counseling sessions** for female students and staff to cater to their psychological, career, legal, health and nutritional needs.
3. **Conduction of development programs** for personality development, stress management and self-defense of women.
4. **Women-related academic programs** like PG diploma courses and short term elective courses for science and arts students in Women Studies will be proposed for the new session. Introduction of gender sensitization modules in curricular areas of higher education for creation of a society sensitive to values of culture and social discipline, conduct studies on tribal women with emphasis on cross cultural perspective development, development of standard text books on Women Studies, compilation of database on research activities of female faculty of the university and documentation of research work done on issues related to women.
5. **Celebration of National/International Women's Day.**
