

Prof. Vinod Kumar Singh
Vice Chancellor
Maharaja Ganga Singh University, Bikaner

VICE CHANCELLOR'S MESSAGE

Dear Students

I extend you all a very warm welcome on the University Campus in the Academic Session 2020-21. This University came into being to work towards knowledge creation and equip the youth with skills so that the nation may reap the demographic dividends.

When we tend to work on a mission, all our thoughts break their bonds; our minds transcend limitations, our consciousness expands in every direction, and we find ourselves in a wonderful world. Each one of us is potentially divine but the divinity is in disguise. What is needed is to give time and space to sprout the potential and thereby awakening the Shakti from inside which is of infinite possibilities in the wonderful world. Only then the latent potential can be exploited to the maximum for the betterment of the self as well as society. The essence of life is to live fully with a motto of service to others. A great English playwright G.B. Shaw rightly said "I want to be thoroughly used up when I die. For the harder I work, the more I live. I rejoice in life for its own sake. Life is no brief candle to me. It is a sort of splendid torch which I have got to hold up for the moment and I want to make it burn as brightly as possible before handing it on to future generation." The tragedy of life is, that we are mentally so stuck "what we are" what we do not make efforts to become 'what we can'. We need to remove this bottleneck to ensure the progress and development of both the self and the nation.

With NEP (National Education Policy) 2020, the nation has taken a leap forward deeply rooted in our cultural ethos. NEP 2020, an outstanding vision document and inspiring policy document seeking fundamental transformation in the landscape of education, augurs a new era in Indian higher education system. It envisages a vision with a view to harnessing the extraordinary potential of human development. The University has initiated its noble Endeavour, and intends to impart the youth the skill oriented education which will make them more employable.

I am glad to share with you that in the coming years we intend to work on Mission 2025 to make our University the World Class University. Your success in studies shall certainly add to this endeavor. I hope and trust that University Teachers and Teaching Supportive Staff shall leave no stone unturned in achieving the Mission 2025.

Heartiest Congratulations!

(Prof. V.K. Singh)
Vice Chancellor

BOARD OF MANAGEMENT

CHAIRMAN

Prof. Vinod Kumar Singh

EX-OFFICIO

Secretary Higher Education, Govt. of Rajasthan
Secretary Finance, Govt. of Rajasthan
Commissioner, College Education, Govt. of Rajasthan

DEAN MEMBER

Prof. Suresh Kumar Agrawal, Professor & Head, Dept. of English
Prof. Rajaram Choyal, Dept. of Env. Science, M.G.S. University, Bikaner
Prof. Meenu Poonia, Principal D.A.V. College, Sriganganagar

PROFESSOR MEMBER

Prof. Anil Kumar Chhangani, Professor & Head, Dept. of Env. Science

H.E. GOVERNOR NOMINEE MEMBER

Prof. Laxmi Sharma
Prof. Kripa Shanker Tiwari

STATE GOVERNMENT NOMINEE

Dr. Bhagwana Ram Vishnoi, Principal, Govt. Law College, Bikaner
Dr. Anant Joshi, Principal, B.J.R.S. Jain Law College, Bikaner
Dr. Vinod Chand (State Government Nominee as eminent educationists)
Sh. N.S. Bissa (State Government Nominee as eminent educationists)

Hon'ble M.L.A.

Smt. Krishna Poonia, Hon'ble M.L.A. –Sadulpur(Churu)
Sh. Jagdish Chander, Hon'ble M.L.A. –Sadulshahar(Sriganganagar)

MEMBER SECRETARY

Sh. Ranidan Bareth (R.A.S.)

DEANS

ACADEMIC COUNCIL MEMBERS

The City

Bikaner is a city in the northwest of the state of Rajasthan in northern India. It is located 330 kilometers (205 miles) northwest of the state capital, Jaipur. Bikaner city is the administrative headquarters of Bikaner District and Bikaner division. It was formerly the capital of the princely state of Bikaner. The city was founded by Rao Bika in 14868 and from its small origin; this has developed into the fifth largest city in Rajasthan. The Gang Canal, completed in 1928, and the Indira Gandhi Canal, completed in 1987 have facilitated its development.

Bikaner has a hot climate with very little rainfall and extreme temperature. The climate in Bikaner is characterized by significant variations in temperature. In the Summer season it is very hot when the temperature lies in the range of 28-48 degree centigrade. In Winters, it is fairly cold with temperature in the range of 2 to 23.2 degrees Centigrade. Here the annual rainfall is in the range of 260-440 millimeters.

Located in the hallowed Maru Bhumi of Rajasthan not less than Chhoti Kashi with temples all around and people with and impeccable sense of religiosity, the land blessed by Goddess Karani, Guru Jambheshwar and the founder of the famous Sankhya Darshan Shri Kapil Muni, the land known for its religiosity with famous temples such as Salasar Balaji and Gogameri, the land known for the love of Dhola-Maru, the land of the people whose distinctiveness, and ancient literature impressed the great Italian scholar Tessitory, the land where was written Krishan Rukmani Ri Veli, recognized as the fifth Veda and the Nineteenth Purana in the literary world; the land from where spread the message of peace and non violence of Acharya Tulsi, the land which has given a taste of Rasgoolas and Namkeens not only to the people of this country but also to all the countries of the world, the University has lightened the lamp of education in the Bikaner Division consisting of the districts of Bikaner, Ganganagar, Hanumangarh and Churu.

The Campus

The Maharaja Ganga Singh University Campus (MGSU) is a self-sufficient enclave with a wide range of facilities including the University Green House, Wifi Building, Bank, Post Office, Canteen, Automated Power Generators, Drinking Water Coolers, Fire Safety Alarms and Extinguishers, Photo Copiers, Furniture, Separate Wash Rooms for male and female, Security Room at the Entrance, First –Aid Medicinal Kits, Well lit Parking Shades, two or three Auditoriums (with wall mounted Projectors), comprising a ready Stage, with seating capacity for 125 and 220 persons respectively, suitable for special lectures, technical demonstrations and the technically demanding treatment functions and pageants.

The classrooms, laboratories, library and Examination block are equipped with state of the art fittings and furniture providing aesthetic and functional aspects to the University community. A dedicated- 1Gbps leased line connecting the whole campus facilitates utilization of all the e resources. Well planned layout of buildings and facilities, with the and updated technology, provides a wonderful opportunity for our students to enjoy learning, experiential learning and development of a wholesome personality are the goals of the academic environment at the MGSU campus.

THE CAMPUS

ECO FRIENDLY CAMPUS

The MGS University Bikaner is committed to raising ecological sustainability both on the campus and outside the campus. We recognize that environmental responsibility is a way to life, not just a trend, and that new science continually brings new opportunities for improvement. Recent efforts to improve environmental sustainability include the establishment of the eco-friendly buildings with rain water harvesting system and green belt development by the roadsides inside the campus. We have also installed solar panels on the entire campus and intend to have solar water heaters for the guest house and hostel.

Following Parks/Garden/Vatika/Zones are developed in campus:-

1. Constitution Park
2. Eco Park
3. Herbal Garden
4. Oxygen Zone
5. Sanskriti Park
6. Nakshatra Vatika
7. Rashi Vatika
8. Vicharak Park
9. Smriti Park
10. Biodiversity Park
11. Recycling Zone
12. Solar Panels

VISION, MISSION, GOALS

VISION

- * *To build responsive, responsible, sensitive, creative and thoughtful citizens, with a comprehensive understanding of regional, national and international perspectives.*

MISSION

- * *To strive towards the educational, cultural, economic, environmental and social advancement of the region and the nation at large, by providing excellent liberal education and quality programmes leading to Bachelors, Masters, Professional and Doctorate degrees.*

GOALS

- * *To facilitate affordable quality education that enables the students acquire professional skills, adopt moral principles and develop a global perspective.*
- * *To Work with commitment towards strengthening the four-fold fundamentals of higher education- teaching, research, extension and consultancy by initiating programmes which integrate both national and international perspectives.*
- * *To develop the University on the principle of Inclusive Education.*
- * *To work on the framework of high quality governance based on efficiency, transparency and accountability.*
- * *To strive to achieve the status of a leading research intensive University addressing the issues related to the Thar region and folk culture.*
- * *To develop an affirmative mindset competent enough to thrive in the world of competition by judiciously balancing the careerist and the career oriented education.*

COURSES OFFERED BY THE UNIVERSITY

COURSES OFFERED BY THE UNIVERSITY

At present 431 colleges including both the Government and the Private Colleges of the districts of Bikaner, Churu, Ganganagar and Hanumangarh are affiliated to the

University, besides the University Teaching Departments. We are an intellectual community of around 4,00,000 consisting of students, faculty and staff who work continually to expand our mission of teaching, research and extension. The University has the faculties of Commerce, Science, Arts, Social Science, Law and Education. For each faculty a Dean has been nominated. Besides these, Board of Studies have constituted for periodical assessment and updating the curricula of related subjects. Academic Council of the University and a Board of Management take care of all academic and management matters respectively. The following courses are offered under different faculties:-

| Faculty | On Campus | Affiliated Colleges |
|-----------------------|---|--|
| Commerce & Management | | B.Com, BBA, M.Com., M.Phil, Ph.D. |
| Arts | B.A. Hon. History, Geography M.A. in English/ History | B.A., B.F.A. , M.A. , Diploma, M.Phil, Ph.D. in Hindi, English, Sanskrit, Urdu, Rajasthani, Punjabi, Music, Philosophy, Drawing & Painting |
| Science | M.Sc. in Environmental Science/ Microbiology /Computer Science, M.C.A. | B.Sc. ,B.C.A., M.Sc. , Diploma, M.Phil, Ph.D. in Environmental Science, Microbiology, Computer Science, Information Technology, Physics, Chemistry, Botany, Zoology, Mathematics, Geology, Biochemistry, Biotechnology, Food and Nutrition , Defense and Strategic Studies, Pharmaceutical Chemistry, B.Sc. (Hons.) Geography |
| Social Science | Library Science | B.A. M.A., Diploma, M.Phil, Ph.D. in History, Public Administration, Sociology, Political Science, Economics, Home Science, Geography, Psychology, Garments Production & Export Management, J.V.J.V. |
| Law | L.L.M.,L.L.B.,B.A- L.L.B. (Integrated), P.G. Diploma In Legal & F.Sc. | L.L.B., L.L.M., Diploma Courses |
| Education | B.A. B.Ed. Integrated Course | B.Ed., M.Ed., B.P.Ed., M.Phil, Ph.D. |

DEPARTMENT OF ENGLISH

The Department of English came into being with the recruitment of one Professor and three Assistant Professors in June 2011. The priority areas of the Department include academic, research and extension programmes in the field of language, literature and translation. The Department constantly strives to integrate teaching learning with research and training. Realizing the changed post independence perspective that English be an agency to project out culture to the outside world, the Department has organized workshops and executed projects to bring to the forefront the rich literary and cultural heritage of the state.

The Department adopts learner centered approach to execute its programmes. The Department offers M.A. M.Phil. and Ph.D. programmes besides Diploma and Certificate courses in Translation and Soft Skills. The Department works closely in the areas of literary traditions. Developing indigenous knowledge, skill upgrading and skill building in English language and literature and developing pedagogy to strengthen literature as a mode of communication.

DEPARTMENT OF HISTORY

The Department of History is one among the five departments of the University that has a lineage of strengthening the academic fabric of the Maharaja Ganga Singh University. Founded in 2011, it is one of the leading and highly reputed centre of learning in the Faculty of Social Sciences. The Department has earned name and fame in the academic circles by ensuring quality teaching and learning atmosphere, innovative Student Centric planning and best performance in the overall functioning of the University.

From the session the department of History has started job oriented professional course at UG and PG levels, which include B.A. Honours, M.A. in Genealogy and Community History and M.A. in Archeology. The introduction of these greatly enhanced the number of students studying in the department and employability of our students. The students of Genealogy and Archeology have been assigned the task of conducting field based studies/cases study so as to construct the comprehensive study of the social, cultural and community history of Rajasthan as a result of the introduction of these new courses the outreach of the department has significantly increased in the society.

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science was established in the year 2011 with an objective to produce Computer Science and IT professionals for software industries, research and educational institutions. Today Information Technology and Computer Application courses have become pervasive, while its parent, Computer Science, has become hard to find. Instead of becoming specialty providers for the IT industry or mass producers of vocationally trained personnel, our Department has chosen to take the road less travelled. We have started with the pristine science that lies under the diverse aspects of computing. This is the most important feature of the education offered here. The Department has tried to develop a distinctive style and method that bridges the theory-practice divide. As the technology changes rapidly, it is necessary for a student to be clear and thorough about the fundamentals. Through sound Fundamentals, they can adapt to the rapid changes in the technology easily. The mission of the Department is to give students a fundamental knowledge of Computer Science and make them more comfortable with the subjects so that they can choose Computer Science as professional carrier.

The Department is offering M.Sc. (Computer Science) course since 2011. After the successful journey of Nine years with this course; Department has 131 alumni, most of them are working in government and private sectors successfully as lecturers, teachers, Information Assistants and System Managers in Banks of public and private sectors. The Department is planning to offer specialized courses such as Masters Course in Cyber Security from the upcoming session. The process of establishment of a separate dedicated laboratory equipped with traditional and current security tools has been started to facilitate students.

Courses Running in the Department

| COURSE | DURATION | SEATS | ELIGIBILITY |
|--|--------------------------|--------------|--|
| M.Sc. Computer Science | 2 Years (4 Semesters) | 30 | Graduation from any recognized University with at least 50 % marks |
| M.Sc. Cyber Security | 2 Years (4 Semesters) | 30 | Graduates possessing 50% marks in any faculty from any statutory University, who have studied Computer Science/Computer Application as a main or vocational subject for three years of their graduation. |
| M.Sc. Computer Science (Lat.Entry) | 1 Year | 30 | PGDCA or equivalent from any recognized University |
| Post Graduate Diploma in Computer Applications | 1 Year | 30 | Graduates possessing 40% marks in any faculty from any statutory University |

DEPARTMENT OF ENVIRONMENTAL SCIENCE

The First such Department in the North Western Rajasthan, was established in 2011. The Department offers Post Graduate education (M.Sc. Environmental Science) in this highly professional and job oriented discipline, besides research degrees of Ph.D. The Department offers national and international collaborative research and studies, consultancy for Environmental Impact Assessment, Air, water and soil quality management, Pollution abatement Planning and monitoring of Biodiversity. Backed by a highly professional and dedicated faculty to groom young environmental scientists as per the need of Industry and job market, the Department is conscious about research and development. Besides classroom teaching and intensive laboratory working students are taken for education tours and field trips for exposure to real life situations. M.Sc. students are imparted vocational training through industrial and other environmental organizations. Students, right at post graduate level, are made to required to work on some research projects, field survey, seminar presentation, preparation of green file and herbarium, etc. under supervision of the able faculty Of various academic and co-academic activities, we plan to develop an Eco Club, Biodiversity Park and Herbal Park, a water body and a Weather Station.

The Department had one major consultancy project funded by CAIRN India Limited Gurgaon entitled " Baseline survey on biological diversity from Mangla Oil Field (Barmen to Bhagat Terminal (Jamnagar)", completed (September, 2013 to March, 2017). One major research project funded by NRSA (IRSO) Hyderabad, under ISRO-Geosphere-Biosphere programme-National Carbon Project-Vegetation Pool Assessment Project running in the Department from 2015 to till date.

UNIVERSITY TEACHING DEPARTMENTS

Courses running in the Department

| COURSE | DURATION | SEAT | ELIGIBILITY |
|--|---|------|--|
| M.Sc. Environmental Science | 2 Years (4 Semester) | 30 | Biochemistry/Agriculture/Engineering/ Horticultural/ Bachelor's Degree in Environmental Science/Geology/ Earth Science /Microbiology/ Biotechnology/B.Sc. with medical or non-medical group or Forestry/ Wildlife /Life Science with 50 % marks. |
| Post Graduate Diploma in Geoinformatics & Remote Sensing | 1 Years | 30 | Bachelor Degree in all Science/ Engineering, Medical and others with 50 % marks. |
| Ph.D. | As per availability of seats with the Faculty members | | M.Sc. Degree in Environmental Science/Geology/ Earth Science/Microbiology/Biotechnology/ Agriculture /Biochemistry/Chemistry/Geography/ Geology/Horticultural/ Forestry/ Wildlife/Life Science. |

DEPARTMENT OF MICROBIOLOGY

The inception of Department in June 2011 was a milestone towards the path of building a Centre of Excellence in the field of Microbiology in the western part of Rajasthan. The Department has young, dynamic, learned and devoted faculty members, who work incessantly for the welfare of society through the perpetuation of science and technology. The faculty members have to their credit Patent, Research Papers, Research Reviews, Scientific reports, Book articles, Book chapters, Books etc. published in reputed National and International Journals and Books.

The Department offers separate courses like M.Sc., M. Phil. and Ph. D. in Microbiology. The Laboratories of the Department have almost all the necessary facilities to conduct research in the current fields of Microbiology& Biotechnology, both basic and advanced.

| LLB | 3 YEARS | 60 | GRADUATE FROM ANY RECOGNIZED UNIVERSITY WITH MINIMUM 45% MARKS |
| B.A. L.L.B. (Integrated Course) | 5 Years | 60 | CLASS 12 TH (AS PER RAJASTHAN GOVT. ADMISSION POLICY) |

OUR LABORATORIES

All the departments have well equipped laboratories for M.Sc. students along with a separate Research laboratory for Ph.d. scholars. The laboratories are well equipped with sufficient number of sophisticated instruments.

Self Financing Scheme (SFS)

The Department of Yoga provides the best of teaching, training, education and research facilities to Yoga aspirants. The Department aims to promote a deeper understanding of Yoga philosophy and practices based on classical Yoga amongst the learners. Yoga is essentially a spiritual and an invaluable gift of India's ancient tradition. It dignifies the essential unity that is the basis of life. It embraces the full spectrum of reality, from the most spiritual to the most material. The Philosophy of Yoga is practical and applicable in our day-to-day living. The practice of Yoga may be considered a process of self - discovery. The purpose of these courses is to impart knowledge of yoga to students to enable them to teach yoga practices and meditation with a secular and scientific orientation. In the current session, the Department has 98 students and three guest faculties. Dr. Dharmesh Harwani is acting at present as a Coordinator of the Department of Yoga

Dr. Dharmesh Harwani

Coordinator, Department of Yoga (Additional Charge)

Email: dharmesh@mgsbikaner.ac.in

The following courses are running in the Department:

- ▣ B.Sc. in Yogic Science
- ▣ M.Sc in Yoga Studies and Therapy Management
- ▣ Post Graduate Diploma in Yoga and Naturopathy

Department of Geography

The Department of Geography was started in July 2018-2019 Academic year by our university. There was a long pending demand for this course to be introduced in this university. The Department of Geography comprises of a Course Coordinator and 5 part-time faculty and serves about 150 undergraduate and 15 graduate students in a variety of specializations. The Department offers B.A./ B.Sc. Honours in Geography (undergraduate) and an M.A. in Geography. Several educational, research, and public service facilities are housed within the Department that provide exciting opportunities for a combination of theoretical and practical work. A major goal of the Department's activities is to involve undergraduate and graduate students actively in all aspects of research as an integrated part of their academic programs with the purpose of nurturing their intellectual growth, critical-thinking skills, and technical experience.

The Department's state-of-the-art Geographic Information Science (GIS) Laboratory contains advanced workstations, servers, Trimble mapping grade GPS units, a large-format printer, a suite of Esri software, and other computer-mapping software like ERDAS and Pathfinder. Applied and basic field research by faculty and students is conducted continually in the local area, surrounding states, and throughout the world. Detailed information about the Department's long-term goals, its productivity, its annual activities, and other key elements of departmental life can be accessed on this site.

drmeghnasharma79@gmail.com

Library and Information Science Department

The Department of Library & Information Science has been functioning in the University since 2018 with the aim of imparting up-to-date LIS education to the students through effective teaching programs and practical training. The Department is working with a vision to educate individuals for careers such as librarians, documentation officers, information professionals, archivists, information scientists and knowledge managers. The students are educated and trained in order to undertake research and service orientated programs which require knowledge of emerging information on technological developments and market requirements. Presently the Department is offering B.Lib. & I.Sc. through regular streams under SFS Courses.

The following course is running in the department:

- Bachelor of Library & Information Science

Dr. Umesh Sharma

Coordinator,
Department of Library Science

Email:
library@mgsubikaner.ac.in

LIBRARY & INFORMATION SCIENCE

GLOBAL POSITIONING STATION (GPS)

Department of Environmental Science has a Permanent Global Positioning Station (GPS) in collaboration with MLS Sukhadia University, Udaipur is established to monitor earth data as part of National Network of GPS receivers that collect data from the satellites which can be used for the study of crustal movements, atmospheric behavior, weather forecasting etc. Gyps

Vulture Telemetry Research in the Rajasthan in collaboration with Dr. Jonathan C. Hall, Department of Geology & Geography, West Virginia University, Morgantown, USA.

MUSEUM CUM HERBARIUM:

The Department of Environment Sciences has developed a diversified museum for flora and fauna having more than 100 herbaria records of various desert plant and Environmental Educational and awareness material

LANGUAGE LAB

University has a modern language laboratory with latest software and audio visual equipment to aid in imparting language skills. The language lab is established with the aim to familiarize the students with the use of English in everyday situations and contexts. It focuses on developing the four main language skills of a student namely: Listening, speaking Reading and Writing along with adequate grammar and

vocabulary building exercises. The language lab is equipped with 30 computers, electronic sound devices, LCD and projector for enhancing communication and presentation skills of the students. It also offers special audio recording facility which helps the students. In self evaluation by which they can identify the areas that need to be improved or changed.

This University celebrated its 14th Foundation Day on 7th June, 2018. The Ex-Chairman Prof. Ved Prakash was the keynote speaker on the occasion. Speaking on the occasion, the Vice Chancellor suggested to celebrate the occasion as self-introspection day.

IQAC Organised a Writeshop on 17 Dec, 2018 in which the University research scholars and research suspicious participated.

Organizing Seminars/Conferences/Workshops to create new knowledge and contribute to the existing knowledge, forms the core of the University. It has helped the University widen the interface with academia and industry while creating a better learning environment on the campus.

National Seminar on the theme 'Globalization and Gandhian Philosophy' was conducted by the Madan Mohan Malviya Centre for Value Education on 30 Jan, 2019. Samvit Somgiri Ji was the chairman of the function. More than 100 delegates participated in the seminar.

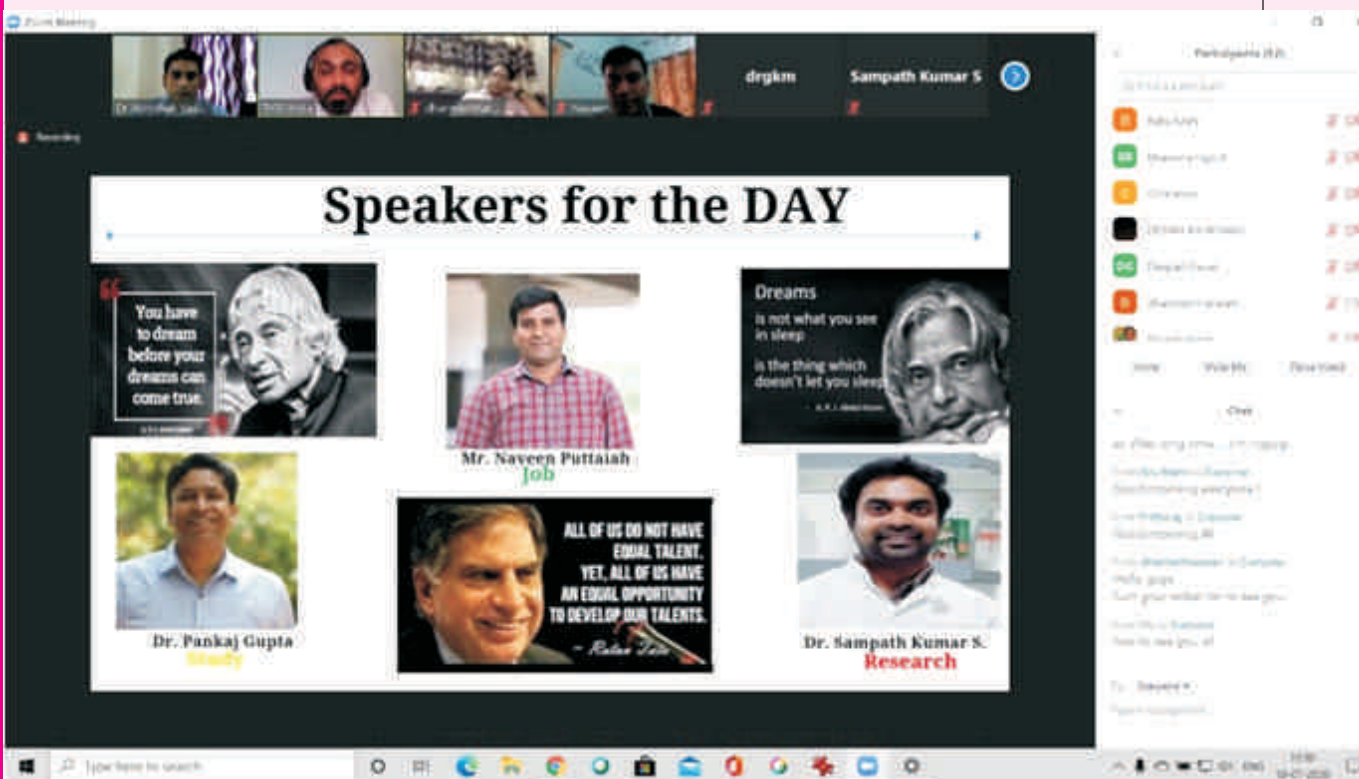

International Symposium on "Rediscovering India's Rich Cultural Heritage" by Dr. Rita Jenny from Bhakti Vedanta College, Budapest, Hungary, organized by Dept. of History on 29.02.2020

SEMINARS/CONFERENCES/WORKSHOPS/MEMORIAL/EXTENSION LECTURES

Extension Lecture on “Excavation Outcomes of Archaeological Sites Chandrawati and Zawar” by Prof. Jeewan Singh Kharakwal, organized by Dept. of History on 10 January, 2020.

Career cross-roads webinar: The Department of Microbiology organized a national webinar on carrier guidance: Job, Study and Research on 18 July 2020. More than 160 students across the country have participated and interacted with the panelists. Dr. Gautam K. Meghwanshi, Dr. Dharmesh Harwani, Dr. Pankaj Gupta, Dr. Somprakash Kumar, Mr. Naveen Puttaiah, Dr. Abhishek Vashistha and Dr. Raja Babu kushwai acted as moderators.

The University has taken a lead in organizing its extension activities, under the aegis of USR(University Social Responsibility). The University works tirelessly for the development of adopted village NAAL BARI at a distance of 6 km from Bikaner. After identifying the needs of the villagers, the University has initiated several programs such as acquainting school students with basics of Computers in collaboration with Computer Science Department, acquainting them with the banking system and Communication skills in collaboration with Department of English. Various studies were conducted to identify the issues and problems of villagers. A survey was conducted to identify the historical and archeological evidences of the village. A study on Genealogy of the villagers were conducted by Department of History. Various programs were organized on natural resource conservation, solid waste management, oral hygiene etc. An awareness campaign about 'Preventive Measures against Corona Virus' was organized on 16.10.2020 in which 200 masks and Sanitizers were distributed whole village was sanitized. Campaigns were also organized on Health awareness in collaboration with Department of Microbiology and Clean Environment in collaboration with Department of Environment Science. Samples were collected for the parameters related to soil and water to identify the pollution.

CENTER FOR ENTREPRENEURSHIP AND SKILL DEVELOPMENT

Keeping in view the present scenario of unemployment and depleting job prospects in India both in government and corporate sectors, we need to prepare a youth force capable of self employment and generating new business enterprises i.e. we have to create Entrepreneurs.

Teaching entrepreneurship is a new area of education. It fundamentally involves building appropriate knowledge through academic studies, skill development through practice, apprenticeship and internship programs with start-ups along with mentoring programmes for budding student ventures.

The primary goals of the Center for Entrepreneurial and Skill Development (CESD) are to educate the business leaders of tomorrow regarding new venture creation and entrepreneurship, help a tomorrow leader in entrepreneurship education, and support economic growth indirectly. The another mandate of the centre is to create a skilled work force as there are less positions for supervisory and managerial posts; however, there is a huge requirement for skilled workforce. Dr. Dharmesh Harwani (Department of Microbiology) is the acting Director of the Centre for Entrepreneurship and Skill Development (CESD).

The Center for Entrepreneurship and Skill Development (CESD) has been established to achieve the following objectives:

- To promote entrepreneurship and skill development as a socio-cultural value.
- To augment motivation for entrepreneurial activity
- To groom in a manner that students/learners are ready to face the challenges of startups.
- To create an incubator for entrepreneurship.
- To serve as an information and resource institute.

CESD is planning and providing academic inputs in pursuit of the above objectives. Looking to the needs of diverse target groups, the center has proposed the following courses:

Bachelor courses (3 years or 6 semesters)

- | | |
|--------|--------|
| 1. BCA | 2. BBA |
|--------|--------|

Integrated Courses

1. B.Sc. + M.Sc. Biotechnology (Integrated 5 Years or 10 semesters)

Post-graduate courses (2 years or 4 semesters)

1. MBA (dual specialization) (functional specialization and entrepreneurship & family business management)
2. M.Sc. in Biotechnology

PG diploma courses (1 year or 2 semesters)

1. PG Diploma in Quality Control Chemist-Microbiology
2. PG Diploma in Quality Control and Assurance in Food, Dairy and Pharmaceutical Technology
3. PG Diploma in Food Production
4. Post graduate diploma in Banking and Finance
5. Post graduate diploma in Fashion Designing Technology
6. Post graduate diploma in Public Relations
7. Post graduate diploma in Web Designing and Development
8. Post graduate diploma in Industrial Biotechnology
9. Post graduate diploma in Quality Control and Assurance in Microbial Technology

Certificate courses (6 months)

1. Certificate course in Mobile Repair and Maintenance
2. Certificate course in Sales Management
3. Certificate course in Gardener Training
4. Certificate course in Electrician
5. Certificate course in Carpentry
6. Certificate course in Data Entry
7. Certificate course in Multimedia Graphics and Animation
8. Certificate course in Bakery and Confectionary
9. Certificate course in Yoga Education
10. Certificate course in Jewellery Design
11. Certificate course in Plumbing
12. Certificate course in Vedic Studies
13. Certificate course in Vaastu Shastra
14. Certificate in Tourism Studies
15. Certificate in Nutrition and Child Care
16. Certificate in Food Safety and Quality Control
17. Certificate in Food and Nutrition
18. Certificate in Consumer Protection
19. Certificate in Business Skills
20. Certificate Course in Retail

THAR DESERT RESEARCH CENTRE

Thar Desert of Rajasthan Is unique in many ways, through "Center for Advanced studies of Thar Desert" Initiatives we could meet the specific needs of this region. The Center is to provide an opportunity to people from all the sections of the society for better development in all aspects of life. We have identified thrust areas that are of utmost importance for the holistic development of the people of Thar Desert, namely, Environment, Climate, Geography, Natural resources, Society, Culture and Religion, Heritage, Craft and cottages, Health & Education, traditional practices, Agrarian economy, Livelihood, through Studies, Research, Projects, Seminars, Symposiums, Workshops, Publications, policy analysis, etc. This can be achieved through collaborations with various institutions, companies, possibly through educational and corporate houses. Our concepts that people should be the custodian of Environment and Social Heritage received unparallel support from all sections of society.

Dr. B.R. AMBEDKAR CENTRE FOR MARGINAL SOCIETIES

This centre was established by the Maharaja Ganga Singh University, Bikaner in May 2017 to study the socio-economic condition of Marginal Communities also referred to as poor, deprived, sociallyexcluded and subalterns by the social scientist. The Centre aims at studying the causes of marginalization of communities, identification of the marginal groups through survey and field work, review policies and schemes introduced for uplifting the marginals and pin point those section of people who really deserve to be helped by the state. The centre will make efforts to prepare a road map for elimination of the conditions which leads to marginalization of a section of the society and which is also subjected to suffer from various forms of exploitation. To achieve it's aims and objectives this Centre, will carry out massive field work and survey, to conduct research studies on the marginal societies. Nomadic tribes, Hill people, Dalits, economically vulnerable, socially excluded section will be the target group of this prestigious centre. This centre is dedicated for betterment of the poorest of the poor in our society. Dr. Gautam Kumar Meghwanshi, Assistant Professor & Head is the Director of the Centre.

CENTRE FOR WOMEN STUDIES

Women's Studies was born out of the women's movement in India. As a body of theory, it emerged from the engagements of feminist scholars with pressing issues touching the lives of women. It was initially conceptualized as a branch of the social sciences and humanities. Women's Studies Centres were envisaged as playing an interventionist role by initiating the gender perspective in many domains In the generation of knowledge, the field of policy and practice. They were designed to act as catalysts for promoting and strengthening Women's Studies through teaching, research and field action projects: The Centers for Women's Studies will be instrumental in incorporating Women's Studies

perspective in various teaching programmes as well as in facilitating research in socially relevant issues, will provide consultation to scholars, contributed to development projects in various capacities, will generate resource material and documentation in the regions in which they are located and establish networking both within and outside the university system, will be instrumental in contributing to the visibility of women's issues, try to combine scholarship with socially relevant theories, and will be a medium in opening genuine interdisciplinary dialogues in several areas. It has engaged not only with the social sciences and humanities but with other disciplines like life sciences, biosciences and other areas of science and technology, such as agriculture and forestry, medicine and architecture. The biased gender perspective within these disciplines determines their very structures and need to be systematically critiqued by scholars in Women's studies. Under this Centre the university proposes to organise seminars, conferences, symposiums and other related activities in the direction of women empowerment.

INCUBATION CENTRE

The incubation centre of MGSU represents a unique opportunity for budding entrepreneurs and startups to take their ideology to the next level. The primary purpose of the incubation centre is to facilitate the creation of ideas and inventions that benefit the common people and society. Commercially ready Startups of MGSU's incubation centre facilitate collaborations with other institutes of repute, mentors, partners and industry leaders. We select the top student-mentor group on campus, across all faculties, and invest at the end of the successful incubation cycle. We may soon have a leading and growing network of high-profile entrepreneurs for our startups to work with. It will nurture and mentor aspiring young entrepreneurs and transform their innovative ideas into viable entrepreneurial initiatives through excellence and service.

MEDIA CENTRE

The Media Centre at MGSU has outstanding facilities that allow us to offer a range of services, from HD video recording to media broadcasting. Media Centre also help students to create the media content for the internal and external audience. Media centre guides student towards the most suitable and engaging content of their needs and is equipped with all facilities recording and data capture facilities including wifi, HD recorder, audio-visual devices, and printers.

CENTRE FOR GANDHIAN STUDIES, PEACE AND NON-VIOLENCE

Prof. Anil Kumar Chhangani
Director

The Centre for Gandhian Studies, Peace and Non-Violence, since its inception has been extensively working to contribute to the corpus of literature and thought on Gandhi to the present society by organizing seminars, conference, orientation programmes, guest lectures, photo exhibitions etc., on Gandhiji. The centre aims to promote activities both for the younger generation and for the more mature Gandhian activists and workers and to translate the same into social life for the benefit of the nations. The objective of the centre is to promote, organize and undertake the study of the life and thought of Mahatma Gandhi.

AIMS AND OBJECTIVES OF THE CENTRE:

- ❑ To disseminate the thought and message of Mahatma Gandhi to the present society by conducting various activities.
- ❑ To coordinate and have a link with Gandhian Organizations and Gandhians.
- ❑ To create awareness among the students on the relevance of Mahatma Gandhi's Principles and to emulate the Gandhian Principles.
- ❑ To publish literature on Gandhiji

Activities and Programmes:

- ❑ Seminars, Conferences, Orientation Programmes, Guest Lectures, Photo Exhibitions, Literary and Cultural Competitions to students, Peace Rallies, etc.

DIRECTORATE OF RESEARCH

The Directorate of Research was founded in 2003. It conducts the following activities:

1. M. Phil., Ph.D. combined Entrance Test - (MPCET)
2. Ph.D. Course work
3. Registration and Award of the Ph.D. Degree.

The Directorate of Research offers the Degree of Doctorate in the Faculties of Arts in the subjects of Hindi, English, Sanskrit, Urdu and Philosophy; Social Science in the Subjects of Economics, Geography, History, Public Administration, Political Science and Sociology; Science in the Subjects of Botany, Biotechnology, Chemistry, Computer Science, Environment Science, Geology, Mathematics, Microbiology, Physics, Zoology; Commerce, Education and Law. Since its inception, the Directorate of Research has offered 857 Ph.D. Degrees till 31.12.2016. Besides, the MPCET and the Ph.D. course work Committee transact the task of holding the Entrance Test and organizing the Ph.D. Course work. In the award of Ph.D. Degree, the Directorate of Research follows the process as laid down in its Research Ordinance. To ensure quality research the University has decided to confer Maharaja Ganga Singh Research Award to the Best Research from Academic Session 2018-19.

MADAN MOHAN MALVIYA CENTRE FOR VALUE EDUCATION

Origin

Pt. Madan Mohan Malviya Centre for Value Education came into being in 2016 with an objective to rebuild/reshape India by reviving its rich cultural heritage and values associated with it. The Centre is incessantly working towards building a cultural India based on human values. Its Mission is to work towards building a cultural India based on human values.

Aims & Objectives

The Centre aims at propagating the ideas of value education enshrined in our Classics and Religious System. It also undertakes and promotes projects/researches/studies, etc aiming at the legacies, contributions, thoughts, etc of our saints and local/national heroes. It endeavors to spread our Cultural ethos in India and abroad by organizing and sponsoring regional/national/international level workshops/seminars/conferences/symposia, etc. It also intends to launch ideologically driven Diploma/Certificate Courses in Indian value system.

Named after the Bharat Ratna Pt. Madan Mohan Malviya, the Centre encourages both the faculty members and the students to undertake outreach activities to concretize the vision of value system, which enables a person grow as a cultured citizen and good human being comprising sincerity, honesty, dedication, etc. Since its inception, the Centre has initiated several programmes of generating awareness among the Youth. In the long run, the Centre plans to develop itself as an Umbrella with various cells working under its aegis with the sole motto that higher education in order to be useful for the overall growth of society should essentially be linked with value education, for valueless education creates 'Robots' which leads to the degeneration of values in the society ensuring its untimely extinction. The

TRAINING AND RESEARCH

Centre promotes the indigenous Dharma rather than religion because Dharma encompasses all aspects of the social and spiritual world. We, strongly believe that Dharma can be defined as correct action, way of life or cosmic order based on the concept of both social and moral duty. The Centre employs the academic resources such as media reports, websites, Youtube Videos and documentaries that highlight the significance of values. The Centre is conscious of the fact that the loss of oral culture and the rise of scientific and consumerist discourses may lead to a less embedded way of life, and henceforth, has directed its efforts to compile the precious indigenous literature too. Centre Conducts Seminars/ Conferences/ Workshops/ Tours/ Essays Competition/ Quiz etc.

EVENTS & ACTIVITIES

IV. A National Seminar on "Revisiting Ramayana" in collaboration with Department of English, M.G.S. University was organized on 17-18 January, 2019. 178 students participated in it.

V. Organized a National Seminar on "Globalization and Gandhian Philosophy" on 30 January, 2019.

CENTRAL LIBRARY

CENTRAL LIBRARY

The University Central Library system seeks to provide all users with a welcoming, comfortable, and safe environment that promotes free intellectual exploration, research, and learning. It is the information resource

center of excellence in the social sciences, humanities and basic sciences. It strives for full automation, a world-class collection and a staff of thoroughly modern information professionals. The library of the University offers well-managed, diverse collections of library resources and a knowledgeable and helpful staff. Its mission is to serve Maharaja Ganga Singh University students, faculty, and staff, as well as researchers and alumni. Members of the community are also welcome to use Library facilities, conforming to our Circulation Policy and our Access to Database Policy.

The Central Library prioritizes certain services, resources and space to the University community and affiliated researchers. The Library offers to its users Current Awareness Service, Circulation Service, Reference Services, Reprography service, E-Library services,

UNIVERSITY SPORTS BOARD

The University has a vibrant Sports board, under whose guidance and supervision the University has established a lead in the field of sports and games. Sports is the backbone of the University and as much it has stood out a University with distinction in sports.

Achievements during the session 2018-19

The University has a Sports Board. The main purpose of the Sports Board is to initiate, coordinate, execute and manage various kinds of sports activities including Adventure Sports and other such programmes to promote general interest in Sports in the University and to improve the standard of Competitive Sports and Games in the University and also its affiliated Colleges/Institutions. The University's performance in sports and games has been par excellence. The University is the recipient of prestigious international level coaching award in Athletics and has won medals in national/international level competitions such as Commonwealth, Para-Olympic World and Asian Tournaments. The University has received a total of 123 medals so far (Gold-21, Silver-38, Bronze-64).

All India Inter University Cycling Competition

The All India Inter University Cycling Road Race was organized by the University from 10-13 Dec., 2017. In this competition, the University won one Gold Medal and one Silver and secured the second position. In this competition 26 National Level team participated. Besides, the University organized 55 inter college sports competition and the 45 teams of the Universities participated in the various inter-University Sports competition. The University won the Bronze Medal in the Inter-University Boxing Competition. The University awarded 39 sportsman who have won medals in the various international sports competition.

Medals won in year 2018-19 Inter University Sports Competitions

IQAC

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC) for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the NAAC proposes that every accredited institution establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. The quality enhancement is a continuous process, the University IQAC works towards realizing the goals of quality enhancement and sustenance. The prime task of the University IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of this institution. The IQAC shall make a significant and meaningful contribution in the post-accreditation phase of institution. During the post-accreditation period, the IQAC will channelize the efforts and measures of the institution towards academic excellence.

The IQAC regulates and monitors the academic and administrative activities. Besides, it also works with the objective to equip both the students and the faculty members with soft skills and promote research in the University. Rounds of Meetings are conducted to concretize the objectives of the IQAC. The following tasks were undertaken under the aegis of IQAC in the academic session 2018-19:-

- ❑ Writeshop on 17 Dec.,2018 in which the University research scholars and research supervisors participated.
- ❑ Prepared and submitted the Detailed Guidelines of Academic and Administrative Audit of the University Affiliated Colleges for the approval of the Competent University Authorities. The Academic and Administrative Audit of the University affiliated Colleges is to start from the academic session 2019-20.
- ❑ Further strengthened the Green Audit in the University by enlarging its parameters.
- ❑ Initiated measures to promote research on the University campus. The following tasks were undertaken to fulfill the mission -
- ❑ To award Research Projects to the University Faculty Members. The Guidelines for the same have been prepared and submitted for the approval of Competent University Authorities.
- ❑ Research Scholarships are to be awarded to the Research Scholars working in the University Academic Departments. The Detailed outlines for which have been prepared and submitted for the approval of the Competent University Authorities.
- ❑ Proposal to establish a Finishing School to equip both the faculty members and the students has been submitted for the approval of Competent University Authorities.
- ❑ Internal Academic and Administrative Audit of both the Teaching Department and Non-Teaching Sections of the Academic Session 2019-20 using a duly stipulated process has been completed.
- ❑ Students satisfaction Survey of the Academic Session 2018-19 has also been carried out
- ❑ Alumni Association and Placement Cell have also been made more vibrant.
- ❑ Academic Flexibility was introduced in the regular courses run on the coampus.

GRIEVANCE REDRESSAL CELL

The Students' Grievance Redressal Cell is constituted for the redressal of the problems reported by the students of the University Departments . The main objective of the Grievance Redressal Cell is to promote and maintain a conducive and harmonious educational environment among the stakeholders. The student concerned can personally approach to any member of the Cell or can send the filled online grievance form for grievances of any sort. The cell reviews and redresses the grievances promptly and judiciously.

CAREER COUNSELING AND PLACEMENT CELL

Coordinator: Dr. Ambika Dhaka

One of the policy decisions in the UGC XIth Plan provides for establishing Career and Counseling Cell in Universities. The objective is to support the students in the development of soft skills and communication ability to challenge the rigors of competitive tests and on-job-training in add-on or vocational courses. In view of the above, the Career Counseling and Placement Cell of Maharaja Ganga Singh University was established with the appointment of its Coordinator in 2014-15.

The Career Counseling and Placement Cell is providing guidance to the students to develop their overall personalities and help them meet challenges in their life. The cell provides a good and conducive setting to the students so that they can identify what and how they can opt for to get themselves marketable in future. The cell has been ever active in motivating the students to become career oriented. The aims and objectives of the cell are as follows:

- ❑ To monitor & mentor the students' activity.
- ❑ To install regularity & discipline in the students.
- ❑ To inculcate discipline, punctuality and motivation among the students.
- ❑ To solve their doubts and provide self-confidence to develop their quality of life.
- ❑ To help the students solve their psychological problems.
- ❑ To address conflicts in attitudes, habits, and knowledge of the students towards learning practices.
- ❑ To develop positive attitude and behaviour in order to meet challenges.
- ❑ To regularly address detailed problems of the students, their scopes for employment as well as career development.
- ❑ To precisely provide guidance to appear in different competitive examinations.
- ❑ To improve the teacher-student rapport.

ANTI SEXUAL HARASSMENT CELL

The University pays utmost attention to the safety and security of its members and facilitates a safe environment that is free Sexual harassment. Cell ensures that Men and women can work together with a sense of personal security and dignity. Cell organizes gender Sensitization programs/Seminar/Workshops regularly. The Anti-Sexual Harassment cell ensures that the mechanism for registering Complaints is safe, accessible and sensitive. It takes cognizance of complaints about sexual harassment conduct enquiries provides assistances and justices to the victims recommend penalties and take action against the harasser, if necessary, ICC (Internal Complaint Committee) meets on need basis to address any complaint from students teaching and non teaching Members and takes necessary actions. It also makes arrangement for appropriate psychological, emotional and physical support (in form of counseling, Security and other assistance) to the Victim if so desires.

ANTI-RAGGING CELL

To curb the menace of ragging on the campus and outside the campus, the University as per the directives of the University Grants Commission (UGC) has constituted

- Monitoring Cell on Ragging,
- Anti-Ragging Committee
- Anti-Ragging squad.

It was due to the constant patrolling of the Anti-Ragging Squad and the awareness measures initiated by the Anti Ragging Committee that no untoward incident has so far been reported.

SC/ST Cell

The University is dedicated to create a positive environment promoting equality, inclusiveness and respect for all, regardless of colour, religious belief, caste, creed or cultures. While maintaining diversity of all kinds, it also ensures protection of everyone including person with disabilities and acting as per the provisions of Constitution of India and guidelines of UGC. In order to create a healthy, pleasant and encouraging environment where all employees and students feel safe, happy, respected and get equal opportunities for professional growth and development, and to ensure due compliance of the orders of reservation issued from time to time in favour of SC and ST and to ensure prompt disposal of the Grievances of the employees of SC and ST Category, a SC/ST Cell has been established in the University.

Alumni Cell

The Maharaja Ganga Singh University Alumni Association is a non-profit organization. Its purpose is to foster, maintain and support a mutually beneficial relationship between alumni and the University. Maharaja Ganga Singh University Alumni Association is a platform to bridge the gap of student – alumni interaction driven by the ideals and values that shall ensure the upliftment of both present and future alumnus with support to build a social, knowledgeable and motivational capital for Maharaja Ganga Singh University and its students.

Guiding Principles:

Build relationships and a sense of camaraderie among students and alumni
Engage alumni and students through the perpetuation of tradition and pride
Recruit alumni to actively promote and showcase the Alumni Association as an essential partner of the University

Vision Statement:

The Maharaja Ganga Singh University Alumni Association is a dynamic organization that is recognized as a valuable resource. A dedicated Committee & its members will partner effectively with Alumni Services to offer programs that foster campus traditions and perpetuate a passion for a life-long involvement with the University.

MISSION & Goals:

The Mission Statement: To champion a life-long relationship between the Maharaja Ganga Singh University and its alumni.

The mission of Maharaja Ganga Singh University Alumni Association is to create a lifelong and worldwide community of alumni through increased opportunities for meaningful engagement in order to increase awareness, pride, participation, volunteer involvement, and philanthropic commitment to University.

- To connect the existing alumnus with the university and bridge the gap of communication between alumnus and students.
- To promote exchange of academic and corporate experience with the students of the university.
- To mentor and channelize the efforts of the students seeking better opportunities to learn and grow.
- To promote a goodwill and sense of pride to both alumni and students.
- To help and support alumnus develop and spread a philanthropic and entrepreneurial mindset among students.
- To advice and conduct activities that shall motivate and upgrade student skill sets.
- To work with university assets to suggest new technologies and improvements that shall benchmark industrial expectations.
- To associate with the university management in planning and execution of alumni events.

CELLS

STUDENTS' SUPPORT SYSTEM AND STUDENT'S UNION

The distinct University Support System comprises Help desk at the Examination Block, Help Desks in every Teaching Department, the Deans, Students' Welfare and the University Proctor. The Deans, Students' Welfare guides the students in the conduction of cultural programmes and events, and serves as a channel to ensure the students' access to the Vice Chancellor in case the problem cannot be solved at the level of the Dean. The University Proctor is accountable for maintaining discipline on the campus. The Students' Support System has at its back-bone the representation of students at the University level in the form of University Students' Union. Besides Class Representatives, the students elect the President, the Vice-President, the General Secretary and the Joint Secretary.

DEAN STUDENT'S WELFARE & CHIEF PROCTOR'S OFFICE

The University has a Proctorial system, which deals with the problems connected with the maintenance of discipline on the University campus. A strict and immediate action is taken against the student who violates the discipline. All cases of indiscipline are reported to the parents of the defaulters. The parents of defaulters are also invited to discuss the cases of their wards in case the wards are found guilty. It also maintains a Defaulters' Register in which the record of all cases of indiscipline is kept.

Under ordinance 88, the following action can also be taken:-

1. Entry of the defaulters and punishment given can be made in the Character/ transfer Certificate.
2. Character Certificate may be refused.
3. Admission in the next session may be refused.
4. Record of action taken or punishments given be communicated to future employers in case a confidential enquiry is received.

The University community is a family and any act of indiscipline is a loss to the whole institution. It is the moral duty of every student to safeguard the honour and fair name of his/her institution. The College/Department issues an identity card to every student. This must always be carried by every student with him. They must produce this card for identification whenever required by the authorities.

In case of indiscipline or breach of peace, the aggrieved party may report to the Proctor/Head of the Department concerned who will investigate and take disciplinary action. A copy of the report and action taken shall be sent to the office of the Chief Proctor for the purpose of record. The cases of indiscipline involving students of more than one Department will be dealt with by the Chief Proctor to whom the aggrieved party will send his complaint through the Proctor/Head of the Department.

ACTIVITIES of NCC/NSS

The youth activities under the aegis of NSS unit (informal) of Maharaja Ganga Singh University (MGSU), Bikaner started in the first academic session 2011-12 with a group of student volunteers. The activities started with in the university campus for environment enrichment and conservation through plantation, education and awareness.

Plantation work was started as per the university master plan with the help of university state officer also started preservation through fencing, watering, upkeep and maintenance of the old plantation. In these activities the students from the affiliated colleges were also invited to participate. After regular workshops and training sessions with the student volunteers, they conducted environment education programs in the local schools and community in small groups.

These programs targeted at local environment issues like air pollution, water pollution, pesticide contamination its impact on the human health, blood donation, Swachh Bharat Abheyan, awareness campaign against plastic, use of polythene bags, etc., for this we collaborated with the local communities especially women and younger generation, state forest department and local authorities engaged in Development work.

A Program to motivate the students to join NSS was organized on 6-2-2020. Dr. Bannay Singh, State Coordinator, NSS was the keynote speaker. On this occasion he announced to sanction two units of NSS (One for male students and another for female students) in the University.

TRANSPORT FACILITY

Transport facility is available both for the students and the staff members in the University. The buses run daily from the campus to the city twice a day, in the morning and in the evening at specific timings.

E-RIKSHAWS

The University has planned to start e-Rikshaws from the coming session in order to facilitate movement within the University campus and simultaneously maintain the eco-friendly environment within the campus.

CANTEEN

The University Canteen provides the right ambience for informal get-together and serves a variety of culinary delights, cold and hot beverages and other best quality food material.

HOSTEL

Currently the University provides hostel facilities to girls only. Some of its affiliated colleges provide hostel facilities at nominal fee. Rental and paying guest facilities are easily available in the vicinity of the campus. Attempts are being made to make available the leased accommodation for hostel, if needed. The University will soon start hostel facilities for boys too.

WIFI CAMPUS

The University Campus is completely connected with World Wide Web with 10 GBPS high speed Internet Connectivity. The facility is provided by BSNL under National mission on education through information and communication technology (NMEICT) project. The students and staff members can access internet within the campus anytime.

UNIVERSITY POST OFFICE

The University has a fully automated Electronic Post Office with EMS and Speed Post Service.

UNIVERSITY BANK

The University has the branch of Punjab National Bank which is fully automated and Computerized.

RAJIV GANDHI VIDHYARTHI SEVA KENDRA

The University started Helpdesk and Helpline for the Prompt solution of the problems of the students in the University Campus from 5th July 2017.

Dikshanta 2020:

The department organised a farewell for the outgoing semester online on 22 July 2020 due to COVID-19 restrictions. The students of M.A. Semester IV, Semester II and faculty members shared space on digital platform and shared their experiences with each other. The juniors gave titles to their seniors and thanked them for their valuable support and guidance rendered to them. The outgoing students shared their memories at the campus and the department. Speaking on the occasion Prof. SK Agrawal gave Dikshanta Mantra to the students and wished them success in life.
